The U.S. Department of Education has selected your file for review due to your unusual enrollment history. An unusual enrollment history is defined as attending multiple colleges/universities in the past three years. You must submit this form and the required documentation so that your financial aid eligibility can be determined. Financial aid eligibility is determined by the Financial Aid Coordinator, final, and cannot be appealed.

Please mark the box which applies to you:

- I received academic credits from ALL the institutions that I attended during the past three years as confirmed by my academic transcripts.
- I did not receive ANY academic credits from one or all institutions that I attended during the last three academic years.

Please submit TRANSCRIPTS for ALL colleges/universities attended during the academic years 2012-2013, 2013-2014, and 2014-2015.

If you did not earn any academic credit at an institution you previously attended you must provide a typed and signed statement explaining why you failed to earn academic credits. You must also provide third party documentation to support your explanation(s). Please submit a separate typed and signed statement for each of the institutions where you failed to earn credits along with the documentation to support your statement.
